

Bourton-on-the-Water
A429

About 15 miles from Cirencester you come to a set of traffic lights at Bourton. Turn right here for just over half a mile until you see the Post Office in front of you. Turn right here and *immediately* left, over the river, then first right into Victoria Street. The Cotswold Perfumery is 100 yards down on your left.

Leave the A417 at Cirencester/Stow. Turn right at the exit roundabout, straight over the next roundabout and left at the first set of traffic lights along the A429 towards Stow (although Bourton is 4 miles *before* Stow)

Avoid the M40/A40 if you can. Oxford traffic can get very bad

Leave the M4 at junction 15. Turn right at the exit roundabout and take the A419/A417 to Cirencester for 17 miles

Junction 15

Take the M4 out of London (Heathrow is on the M4)
